THE WORK

Front and back room redecoration

Hi Sally, lovely to meet you and Jeff on Tuesday. Here's my price for preparing and painting the front and back rooms, including the woodwork we discussed.

- Protection: floors and furniture sheeted; furniture moved to the middle of each room.
- Preparation: fill cracks and holes, sand, spot-prime, and caulk gaps along skirtings and frames.
- Ceilings: two coats of white matt emulsion.
- Walls: a mist coat on new filler, then two coats of matt emulsion in your chosen colours.
- Woodwork: skirtings, door frames, two doors and the front bay window in two coats of satinwood.

All materials included. Not included: wallpaper removal or plaster repairs. About five working days.
