THE WORK

Full rewire with new consumer unit, three-bed semi

Dear Ms Rahman, thank you for letting us look round the house last week. Below is our fixed price for the full rewire, following the room-by-room schedule we agreed.

- Consumer unit: new metal-clad unit with RCBOs on every circuit and a surge protection device (SPD).
- Circuits: 32 double sockets and 24 lighting points, cooker, shower, interlinked smoke and heat alarms.
- Chasing and making good: included, to a plaster-ready finish; floorboards lifted and refitted.
- Certification: inspection and testing to BS 7671, and an Electrical Installation Certificate (EIC).

Building Regulations notification included. Not included: redecoration. About seven working days.
